### PRODUCT SUITABILITY

#### WHO IS THE PRODUCT SUITABLE FOR?

- The Fund is only suitable for investors who:
  - seek to maximise total returns from a combination of capital appreciation and income generation; and
  - are comfortable that the price and value of the Units as well as any derived or accrued income may fall or rise, with potential loss of the original amount invested.

**Investors should consult their financial advisers if in doubt on whether the Fund is suitable for them.**

Further Information  
Refer to Schedule 6 on Pg [75] of the Prospectus for further information on product suitability.

### KEY PRODUCT FEATURES

#### WHAT ARE YOU INVESTING IN?

- You are investing in a sub-fund of Manulife Funds, which is a unit trust constituted in Singapore. The Fund aims to maximise total returns from a combination of capital appreciation and income generation by investing all or substantially all its assets into share class I of Manulife Global Fund – Asia Total Return Fund (the “**underlying fund**”), a sub-fund of the Luxembourg-domiciled Manulife Global Fund (“**MGF**”).
- Distribution of income and/or capital of the Fund will be at the Manager’s sole discretion.

Refer to Paragraph 1 “Basic Information” on Pg [5], Paragraph 20.3 “Distribution of Income and Capital” on Pg [24] and Sections A and B in Schedule 6 on Pg [75] of the Prospectus for further information on features of the product.

#### Investment Strategy

- The Fund will achieve its investment objective by investing all or substantially all its assets

Refer to Sections A

<sup>1</sup> The Prospectus is available for collection during normal business hours at the Manager’s business office at 1 Kim Seng Promenade, #11-07/08 Great World City, West Tower, Singapore 237994.

<p>into share class I of MGF – Asia Total Return Fund.</p> <ul style="list-style-type: none"> <li>The investment objective of the underlying fund is to maximise total returns from a combination of capital appreciation and income generation by primarily investing in diversified portfolio of fixed income securities, issued by governments, agencies, supranationals and corporate issuers in Asia. The underlying fund may also invest (up to 30% of its net assets) in cash and fixed income securities of other issuers outside Asia if the investment manager of the underlying fund considers that such securities will achieve the goal of maximising capital appreciation and income generation.</li> <li>The underlying fund invests in securities denominated in Asian currencies or other currencies. It may invest in local currency bonds with unhedged currency exposure to achieve currency gains. The underlying fund may also hedge for efficient portfolio management purposes.</li> <li>The underlying fund may invest in higher-yielding debt securities such as government and corporate bonds which are rated lower than investment grade, or if unrated, their equivalent. As such, an investment in this underlying fund is accompanied by a higher degree of credit risk.</li> <li>The underlying fund is managed under a dual-approach of “top-down” and “bottom-up”, which provides the mechanism for the investment manager to determine which country/industry may benefit from current and future changes in the economy when under-going the process of country/sector allocation.</li> </ul>	<p>and B in Schedule 6 on Pg [75] of the Prospectus for further information on the investment strategy of the product.</p>

<b>Preliminary charge</b>	o Currently Nil%, Maximum 6%
<b>Realisation Fee</b>	o Nil
<b>Management fee</b>	o Maximum 1% p.a. of the NAV of share class I of MGF – Asia Total Return Fund*.
<b>Custodian fee</b>	o The fee paid by MGF for this service varies depending upon the markets in which the assets of MGF are invested and custodied, and typically ranges from 0.003% p.a. to 0.40% p.a. of the NAV of the relevant sub-fund of MGF (excluding transaction charges and reasonable disbursements and out-of-pocket expenses).
<b>Administrator, Registrar, Listing Agent and Transfer Agent fees</b>	o MGF pays fees for these services at commercial rates agreed from time to time between the parties plus reasonable out-of-pocket expenses. The maximum fee paid for these services by MGF will be 0.5% p.a. of its NAV (excluding reasonable out-of-pocket expenses).
<b>Other fees and charges***</b>	o Subject to agreement with the relevant parties, each of the fees or charges may exceed 0.1% p.a., depending, <i>inter alia</i> , on the proportion that each fee or charge bears to the underlying fund's NAV**

\*The annual management fees may be increased to a maximum of 6% of its NAV by giving not less than three months' prior notice of the proposed increase to the Holders in the underlying fund. Investors should also note that the management fee payable to the underlying fund by the Fund is currently not rebated or waived. As at 31 December 2010, the management fee for the underlying fund is 1.0% p.a. of its NAV.

\*\* As at 30 June 2010, the aggregate amount of the other fees or charges for the underlying fund is less than 0.1% p.a. of its NAV, but it is likely that the aggregate amount may exceed 0.1% p.a. of its NAV in future.

\*\*\* Other fees and charges include (but not limited to) valuation fees, legal, professional fees, taxes and other out-of-pocket expenses.

#### HOW OFTEN ARE VALUATIONS AVAILABLE?

The indicative NAV per Unit of the Fund will be made available daily at <http://www.fundsupermart.com/main/fundinfo/dailyPrices.svdo> and on selected newspapers publications at a frequency determined by the publishers.

#### HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- Save in certain circumstances such as suspension of realisation and minimum realisation or holding requirements, you can exit the Fund at any time during any Dealing Day by submitting the relevant realisation request to the Manager or the relevant appointed agent or distributor. In the case of first-time investors in the Fund, you may cancel your subscription of Units within the cancellation period of 7 calendar days from the date of subscription of Units.
- You will normally receive the realisation proceeds within 7 Business Days in Singapore following the receipt and acceptance of the realisation request by the Manager.
- Your exit price is determined as follows:
  - o If you submit the realisation request for Units before 4.00 pm Singapore time on a Dealing Day, you will be paid a price based on the NAV of the Fund at the close of that business day.
  - o If you submit the realisation request for Units after 4.00 pm Singapore time, you will be paid a price based on the NAV at the close of the next business day.
- The sale proceeds that you will receive will be the exit price multiplied by the number of Units sold, less any charges. Currently, no realisation charge is imposed. An example is as follows:

1,000 Units	X	S\$1.100	=	S\$1,100
Your realisation request		Notional Realisation Price (= NAV per Unit)		Realisation proceeds

Refer to Paragraph 9.9 "Cancellation of Units by Investors" on Pg [14], Paragraph 10 "Realisation of Units" on Pg [15], Paragraph 12 "Obtaining Prices of Units" on Pg [17] and Paragraph 13 "Suspension of Dealing" on Pg [18] of the Prospectus for further information on valuation and exiting from the Fund.
