

Best in Best Maternity Insurance Plan for Mother and Child

for mums who want to be baby ready

Manulife's ReadyMummy Maternity Insurance Plan offers coverage for medical contingencies so you can enjoy a stress-free pregnancy!

Pregnancy is an exhilarating yet stressful time for parents-to-be as they brace themselves for the various possibilities and contingencies that may present themselves along the way. Being responsible for the well-being of one more life and ensuring that all his/her needs are met is a daunting proposition. Many parents are unable to cope with this anxiety and stress and fall prey to depression.

Preparing oneself mentally, physically and financially is the key to enjoying the pregnancy journey with relative peace of mind. ReadyMummy is a maternity insurance plan by Manulife that strives to cover the uncertainties that pregnancy, childbirth and postnatal period are fraught with.

The ReadyMummy Maternity Insurance Plan is a 3 year policy that covers the expectant mum from the 13th week of pregnancy and the child from birth till the end of the policy period. ReadyMummy offers protection to the expectant mother by covering 14 pregnancy complications at 100% of sum insured including miscarriage due to accident. It is also the first of its kind maternity insurance plan that covers psychotherapy treatment for mothers, acknowledging the need for maintaining and protecting the mental wellness of the mother in one of the most challenging periods of her life.

Manulife ReadyMummy offers coverage for 24 congenital illnesses for the child at 100% of the sum insured.

In case of severe neonatal jaundice that requires a phototherapy machine for treatment, the maternity insurance plan offers 1% of sum insured for each day of machine rental for up to 10 days. In a scenario where the mother or the child or both need to stay in the hospital due to specified medical conditions, the insurance plan offers them daily hospital care benefit of 1% of the sum insured for up to 30 days of hospital stay. If the mother or the child tragically passes away, ReadyMummy provides coverage at 100% of sum insured.

Last but not the least, holders of the ReadyMummy Maternity Policy can buy other eligible insurance plans from Manulife to safeguard their child's future well-being within 90 days from childbirth without any health questions asked. This policy is not only meant for mothers who have conceived through natural means but also for those who have conceived through assisted procedures such as In Vitro Fertilisation (IVF), Intrauterine Insemination (IUI) and Intracervical Insemination (ICI) at an additional premium.

Manulife's ReadyMummy affords mothers peace of mind so they can be absolutely ready for motherhood and freely enjoy precious moments with their little bundle of joy!
